

Michigan's Largest Supplier of Natural Stone

*if you can dream it,
we can create it*

Dixie is Michigan's premier supplier of natural marble and granite. Our craftsman can take your ideas and transform them into fine pieces of furniture, breathtaking countertops, luxurious fireplace surrounds and other upscale architectural enhancements. Enhancements that will create a unique look or feel to your home or business.

Architectural stone in the form of natural limestone and stone veneers can add elegance to any home. Dixie can fabricate custom limestone carvings, fireplaces, entryway, window surrounds, columns and balusters to create a unique focal point in any room, exterior facade or garden.

Landscaping with stone is a natural way to add beauty and value to your home. From retaining wall and flagstone patios, to pavers and hand carved stone accents, Dixie offers you more natural stone landscaping alternatives.

If you are looking for design ideas we invite you to come spend some time in our all-new Stone Gallery showrooms in Novi and Petoskey. Stop by and see us, or give us a call to set up a consultation to discuss your natural stone needs. Dixie has more stone product on display and in stock than anyone else, so you'll clearly see why we are your natural choice.
